This one-of-its-kind bar unit by designer Thierry Betancourt can even hold a small refrigerator. Commissioned by Mumbai-based AD50 architect Ashlesh Shah for a project, Betancourt collaborated with tattoo artist Sameer Patange of Kraayonz Tattoo Studio for the goth insect design on the leather front of the bar. The unit was then lodged on to a charred log for a more organic look.

For enquiries on similar custom-made designs, contact info@thierrybetancourt.com (09004054853).
